Your birthday guests will make imaginative and fun bugs or butterflies from simple materials, as well as play games on the garden theme. Will your creatures be silly, crawly, fuzzy, smooth, or beautiful?!

Dig for dino bones in faux dirt, play some fun dino games, and finally, open a "mock egg" to make a fun discovery!

Princess Party (PreK-Age 7)

Become royalty, create crowns and jewel-encrusted scepters, and play games in an imaginary fairy forest.

Knights of the Round Table (Ages 5-8)

Yo, Ho, Ho and a Bottle of Pop! (Ages 5-9)

Ahoy mates! Set sail on an adventure as you celebrate your little buccaneer's birthday. We'll make pirate hats, decorate bags for treasure and play seafaring games!
